## JOB REFERENCE: FRONT END WEB DEVELOPER

Dear Mr. Senthazhal Ravi,

I am writing to express my strong interest in the Front End Web Developer position at Pepper Programming. As a recent graduate with a Bachelor of Technology in Information and Communication Technology and proficiency in HTML, CSS, JavaScript, Java, and MySQL, I am excited about the opportunity to contribute to your dynamic team and support Pepper Programming's mission to create innovative and user-friendly web solutions. I am confident that my background and attributes will bring further support of your company's values.

I have acquired a strong foundation in computer science and a deep understanding of web development principles. My coursework and projects have honed my technical skills, particularly in web development, and I am eager to apply my knowledge to real-world projects at Pepper Programming. Enclosed is my resume, which provides a detailed overview of my educational background and technical proficiency. I would welcome the opportunity to discuss how my qualifications align with the Front End Web Developer position at Pepper Programming.

Thank you for considering my application. I am enthusiastic about the prospect of joining your team and contributing to Pepper Programming's mission. you can reach me at 9361156494 or sakthivel28082001@gmail.com to schedule an interview or further discuss my qualifications.

Sincerely,  
Sakthivel N
