Job Reference: Front end Web developer

Dear sir,

I am writing to express my interest in the Front End Web Developer position at Pepper Programming, as advertised. As a recent graduate with a diploma in Electrical and Electronics Engineering from Govt Polytechnic College Trichy and a solid foundation in HTML, CSS, and JavaScript, I am eager to contribute my skills to your dynamic team.

Having completed my studies in Business Administration, I bring a unique blend of technical knowledge and a disciplined approach to my work. I am a responsible and orderly individual, traits that I believe align well with the values at Pepper Programming.

I am particularly excited about the prospect of gaining my first work experience with Pepper Programming. Your commitment to innovation and excellence in web development resonates with my passion for staying updated on the latest industry trends and technologies.

My proficiency in HTML, CSS, and JavaScript, coupled with my eagerness to learn and adapt, makes me a suitable candidate for this role. Additionally, my multilingual abilities in English, French, and Tamil provide me with effective communication skills that can contribute to a collaborative work environment.

Enclosed is my resume, which further outlines my education, skills, and interests. I am enthusiastic about the opportunity to discuss how my skills and background align with the goals of Pepper Programming. Thank you for considering my application.

I look forward to the possibility of contributing to your team and am available at your earliest convenience for an interview.

Sincerely,
Arjun Chezhiyan
