Respected Hiring Manager's,

I am writing to express my strong interest in the Front-End Developer position at **Company Name**. Armed with a Bachelor's degree in Information Technology, I bring expertise in **HTML, CSS, JavaScript**, and responsive web design. My hands-on experience includes translating design concepts into interactive user interfaces, showcasing my problem-solving skills and attention to detail.

I am proficient in tools like **Visual Studio Code** and have a solid understanding of **Git** for version control. During my academic years, I applied my knowledge to projects, refining my skills and ensuring modern, user-focused websites.

I am particularly excited about **Company Name's** dedication to innovation and user experience. My passion for creating visually appealing and user-friendly websites aligns perfectly with your company's goals.

Enclosed is my resume for your review. I am enthusiastic about the opportunity to discuss how I can contribute to **Company Name** as a Front-End Developer. Thank you for considering my application. I look forward to the possibility of working together.

Sincerely,

JT
